Ms. Lori Levin  
Illinois Criminal Justice Information Authority  
300 West Adams Street  
7th Floor  
Chicago, IL 60606-5101

Dear Ms. Levin:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of Federal funding to compliance with Federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice is responsible for ensuring that recipients of financial aid from OJP, its component offices and bureaus, the Office on Violence Against Women (OVW), and the Office of Community Oriented Policing Services (COPS) comply with applicable Federal civil rights statutes and regulations. We at OCR are available to help you and your organization meet the civil rights requirements that come with Justice Department funding.

**Ensuring Access to Federally Assisted Programs**

As you know, Federal laws prohibit recipients of financial assistance from discriminating on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits.

**Providing Services to Limited English Proficiency (LEP) Individuals**

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of Federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website at <http://www.lep.gov>.

**Ensuring Equal Treatment for Faith-Based Organizations**

The Department of Justice has published a regulation specifically pertaining to the funding of faith-based organizations. In general, the regulation, Participation in Justice Department Programs by Religious Organizations; Providing for Equal Treatment of all Justice Department Program Participants, and known as the Equal Treatment Regulation 28 C.F.R. part 38, requires State Administering Agencies to treat these organizations the same as any other applicant or recipient. The regulation prohibits State Administering Agencies from making award or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the Department of Justice to fund inherently religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must be held separately from the Department of Justice funded program, and customers or beneficiaries cannot be compelled to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see OCR's website at <http://www.ojp.usdoj.gov/ocr/etfbo.htm>.

State Administering Agencies and faith-based organizations should also note that the Safe Streets Act, as amended; the Victims of Crime Act, as amended; and the Juvenile Justice and Delinquency Prevention Act, as amended, contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the Justice Department has concluded that the Religious Freedom Restoration Act (RFRA) is reasonably construed, on a case-by-case basis, to require that its funding agencies permit faith-based organizations applying for funding under the applicable program statutes both to receive DOJ funds and to continue considering religion when hiring staff, even if the statute that authorizes the funding program generally forbids considering of religion in employment decisions by grantees.

Questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment may be directed to this Office.

## Enforcing Civil Rights Laws

All recipients of Federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to the prohibitions against unlawful discrimination. Accordingly, OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal employment opportunity standards.

## Complying with the Safe Streets Act or Program Requirements

In addition to these general prohibitions, an organization which is a recipient of financial assistance subject to the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, 42 U.S.C. § 3789d(c), or other Federal grant program requirements, must meet two additional requirements: (1) complying with Federal regulations pertaining to the development of an Equal Employment Opportunity Plan (EEOP), 28 C.F.R. § 42.301-.308, and (2) submitting to OCR Findings of Discrimination (see 28 C.F.R. §§ 42.205(5) or 31.202(5)).

### 1) Meeting the EEOP Requirement

In accordance with Federal regulations, Assurance No. 6 in the Standard Assurances, COPS Assurance No. 8.B, or certain Federal grant program requirements, your organization must comply with the following EEOP reporting requirements:

If your organization has received an award for \$500,000 or more and has 50 or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare an EEOP and submit it to OCR for review **within 60 days from the date of this letter**. For assistance in developing an EEOP, please consult OCR's website at <http://www.ojp.usdoj.gov/ocr/eeop.htm>. You may also request technical assistance from an EEOP specialist at OCR by dialing (202) 616-3208.

If your organization received an award between \$25,000 and \$500,000 and has 50 or more employees, your organization still has to prepare an EEOP, but it does not have to submit the EEOP to OCR for review. Instead, your organization has to maintain the EEOP on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. The Certification Form can be found at <http://www.ojp.usdoj.gov/ocr/eeop.htm>.

If your organization received an award for less than \$25,000; or if your organization has less than 50 employees, regardless of the amount of the award; or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEOP requirement. However, your organization must complete Section A of the Certification Form and return it to OCR. The Certification Form can be found at <http://www.ojp.usdoj.gov/ocr/eeop.htm>.

### 2) Submitting Findings of Discrimination

In the event a Federal or State court or Federal or State administrative agency makes an adverse finding of discrimination against your organization after a due process hearing, on the ground of race, color, religion, national origin, or sex, your organization must submit a copy of the finding to OCR for review.

## Ensuring the Compliance of Subrecipients

If your organization makes subawards to other agencies, you are responsible for assuring that subrecipients also comply with all of the applicable Federal civil rights laws, including the requirements pertaining to developing and submitting an EEOP, reporting Findings of Discrimination, and providing language services to LEP persons. State agencies that make subawards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

If we can assist you in any way in fulfilling your civil rights responsibilities as a recipient of Federal funding, please call OCR at (202) 307-0690 or visit our website at <http://www.ojp.usdoj.gov/ocr/>.

Sincerely,

At present, these reports are to be submitted on-line (at <https://grants.ojp.usdoj.gov>) using Standard Form SF 269A, not later than 45 days after the end of each calendar quarter. The recipient understands that after October 15, 2009, OJP will discontinue its use of the SF 269A, and will require award recipients to submit quarterly financial status reports within 30 days after the end of each calendar quarter, using the government-wide Standard Form 425 Federal Financial Report form (available for viewing at [www.whitehouse.gov/omb/grants/standard\\_forms/ffr.pdf](http://www.whitehouse.gov/omb/grants/standard_forms/ffr.pdf)).   - (c) The recipient agrees to separately identify to each subrecipient the Federal award number, CFDA number, and amount of Recovery Act funds, and to document this identification both at the time of subaward and at the time of disbursement of funds. When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.
  - (d) The recipient agrees to require its subrecipients to specifically identify Recovery Act funding on their SEFA information, similar to the requirements for the recipient SEFA described above. 25. **RECOVERY ACT – Buy American Notification (Recovery Act, section 1605)**

The recipient understands that this award is subject to the provisions of section 1605 of the Recovery Act (“Buy American”). No award funds may be used for iron, steel, or manufactured goods for a project for the construction, alteration, maintenance, or repair of a public building or public work, unless the recipient provides advance written notification to the OJP program office, and a Grant Adjustment Notice is issued that modifies this special condition to add government-wide standard conditions (anticipated to be published in subpart B of 2 C.F.R. part 176) that further implement the specific requirements or exceptions of section 1605.

Section 1605 of the Recovery Act prohibits use of any Recovery Act funds for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States, subject to certain exceptions, including United States obligations under international agreements.

For purposes of this special condition, the following definitions apply:

“Public building” and “public work” means a public building of, and a public work of, a governmental entity (the United States; the District of Columbia; commonwealths, territories, and minor outlying islands of the United States; State and local governments; and multi-State, regional, or interstate entities which have governmental functions). These buildings and works may include, without limitation, bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, power lines, pumping stations, heavy generators, railways, airports, terminals, docks, piers, wharves, ways, lighthouses, buoys, jetties, breakwaters, levees, and canals, and the construction, alteration, maintenance, or repair of such buildings and works.

“Manufactured good” means a good brought to the construction site for incorporation into the building or work that has been--

- (1) Processed into a specific form and shape; or
- (2) Combined with other raw material to create a material that has different properties than the properties of the individual raw materials.

“Steel” means an alloy that includes at least 50 percent iron, between .02 and 2 percent carbon, and may include other elements.

For purposes of OJP grants, projects involving construction, alteration, maintenance, or repair of jails, detention facilities, prisons, public crime victims’ shelters, police facilities, or other similar projects will likely trigger this provision.

NOTE: The recipient is encouraged to contact the OJP program manager – in advance – with any questions concerning this condition, including its applicability to particular circumstances.

AWARD DATE 04/24/2009

*SPECIAL CONDITIONS*

26. **RECOVERY ACT – Wage Rate Requirements under Section 1606 of the Recovery Act**  
(a) Section 1606 of the Recovery Act requires that all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to the Recovery Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code.
- Pursuant to Reorganization Plan No. 14 and the Copeland Act, 40 U.S.C. 3145, the Department of Labor has issued regulations at 29 CFR Parts 1, 3, and 5 to implement the Davis-Bacon and related Acts. Regulations in 29 CFR 5.5 instruct agencies concerning application of the standard Davis-Bacon contract clauses set forth in that section. The standard Davis-Bacon contract clauses found in 29 CFR 5.5(a) are to be incorporated in any covered contracts made under this award that are in excess of \$2,000 for construction, alteration or repair (including painting and decorating).
- (b) For additional guidance on the wage rate requirements of section 1606, contact your awarding agency. Recipients of grants, cooperative agreements and loans should direct their initial inquiries concerning the application of Davis-Bacon requirements to a particular federally assisted project to the Federal agency funding the project. The Secretary of Labor retains final coverage authority under Reorganization Plan Number 14.
27. **RECOVERY ACT – NEPA and Related Laws**  
The recipient understands that all OJP awards are subject to the National Environmental Policy Act (NEPA, 42 U.S.C. section 4321 et seq.) and other related Federal laws (including the National Historic Preservation Act), if applicable. The recipient agrees to assist OJP in carrying out its responsibilities under NEPA and related laws, if the recipient plans to use Recovery Act funds (directly or through subaward or contract) to undertake any activity that triggers these requirements, such as renovation or construction. (See 28 C.F.R. Part 61, App. D.) The recipient also agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award.
28. **RECOVERY ACT – Misuse of award funds**  
The recipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.
29. **RECOVERY ACT – Additional Requirements and Guidance**  
The recipient agrees to comply with any modifications or additional requirements that may be imposed by law and future OJP (including government-wide) guidance and clarifications of Recovery Act requirements.

**Memorandum To:** Official Grant File

**From:** Linda Rost, Administrative Officer

**Subject:** Categorical Exclusion for Illinois Criminal Justice Information Authority

The subject grant provides funds from the American Recovery and Reinvestment Act of 2009 (the "Recovery Act") to enhance crime victim services in the State. These funds are awarded by the State to local community-based organizations that provide direct services to crime victims.

None of the following activities will be conducted either under the OJP federal action or a related third party action:

1. New construction.
2. Any renovation or remodeling of a property either (a) listed on or eligible for listing on the National Register of Historical Places or (b) located within a 100-year floodplain.
3. A renovation which will change the basic prior use of a facility or significantly change its size.
4. Research and technology whose anticipated and future application could be expected to have an effect on the environment.
5. Implementation of a program involving the use of chemicals.

Consequently, the subject federal action meets OJP's criteria for a categorical exclusion as contained in paragraph 4.(b) of Appendix D to Part 61 of the Code of Federal Regulations. Additionally, the proposed action is neither a phase or a segment of a project which when viewed in its entirety would not meet the criteria for a categorical exclusion.
